

## What are you kids going to do this summer?

Campers will learn about musical theater, dance, voice, music, technical production, and acting as they experience the joy of performing on a professional stage.

This year's exciting repertoire consists of a timeless classic such as The Wizard of Oz, and a more contemporary flair in our production of RENT!

At Quest, the people make all the difference, and we are fortunate to have a distinguished staff of international performers and artists with many years of arts educational experience.

**This summer, there's no excuse not to pursue your dreams of becoming a star!**
